A young driver surcharge generally applies to drivers up to the age of 30 years. The applicable young driver surcharge and age policy may differ depending on your selected car category and country. Only drivers over 30 years old may rent superior car categories, such as Full Size or Premium/Luxury cars. This mandatory surcharge (as a guideline between EUR 5 - EUR 35 per day) is not included in the rental price and is paid in local currency at rental desk.

A senior driver surcharge or extra insurance applies to drivers over the age of 70 years. When applicable senior driver surcharges or extra insurances are obligatory and mostly payable at the time of pick up in the local currency. Senior driver age rules are different and depend on the dedicated terms of the respective car rental company and location. We strongly recommend you check the individual supplier's requirements as additional documents may be also required. In some locations, for instance, senior drivers must provide a medical certificate to confirm that they are medically fit to drive.

Driving License

When picking up the car, all drivers need to present valid driver's license typically held for at least one year with no major endorsements. Driver needs to provide physical driving license, digital or electronic format is not accepted. Some occupations such as professional sports people, entertainers, Taxi/delivery drivers or foreign service and military personnel might be excluded from the car rental insurance policy. Please be aware that the coverage is sometimes determined by the local law and which then may consider only a minimum coverage amount. In such cases, Additional Liability Insurance may need to be purchased for obtaining a higher coverage.

Security Deposit for the car

Upon collection of the car a security deposit will be blocked on the driver's credit card. This deposit is determined by supplier considering the applicable excess amount and selected car category. Please be informed that the value of the applicable excess, one tank of fuel and possible traffic fines can be additionally blocked on your credit card. It is recommended to present a credit card with chip, pin code and embossed numbers.

Grace Period

Suppliers offer a grace period of two hours between the booked pick up time and the actual time the vehicle is picked up. After this period has lapsed, a "no show" fee may apply. Keep in mind that the grace period is not applicable outside the opening hours of the local station. If you are likely to be late, we advise that you contact the local car rental branch directly. When returning your rental, suppliers typically offer a grace period of 29 minutes between the agreed drop off time and the actual time the vehicle is returned to the car rental branch.
