A weekend of love & joy awaits...

Please join us from Friday October 9th to Monday October 12th to celebrate our marriage. Our wedding celebration will take place on a lovely private island off the coast of Koh Samui, with a ceremony on Saturday and related events throughout the weekend. Accommodation for three nights and meals will be provided, free for all guests.

We can't wait to share our love with you in Thailand this October!

Our Story

Michael first embraced Mengyi under the stars of the Twinkling Zodiac Ceiling in Grand Central Terminal on their first date on December 21, 2023. (Un)Cleverly Michael wore a light jacket in the freezing New York winter, and fearing for the health of shivering, red-faced Michael, Meryl walked Michael back, and shared hot chocolate and their first kiss.

Although Meryl lived in Toronto and Michael in New Haven, their love drew them together. They called every day and traveled to see each other every month.

Since then, they have traveled the world together: bathing in the onsens of Kinokuni, befriending zoo animals in Berlin, admiring art in Amsterdam, eating dim sum in Hong Kong, swimming and sunbathing in Cancun and Dubrovnik, throwing snowballs in Montreal and Quebec City, visiting friends in Boston, San Francisco, and Los Angeles, meeting each other's families in Austin and Shenyang, and going on family trips to Houston and Koh Samui.

In fact, Michael's first message to Mengyi on Hinge was asking about her trip in Tofino, so we couldn't think of a better way to celebrate our love than inviting our friends from all over the world to take a trip together to Thailand, home of Meryl's favorite cuisine.

The Island

Our private island is just a short swim away from Koh Samui's Choeng Mon Beach in Thailand. It includes a beach, pool, gym, and spa. When it is not serving as our wedding venue it is generally known as [Cape Fahn](#), a small luxury 5-star boutique hotel. For details about how to get to the island, see the Travel section of the website.

Weather

The weather is generally a constant 80 degrees Fahrenheit / 27 degrees Celsius, so be prepared for warm beaches. While October through December is generally known as the rainy season, our wedding date is sufficiently early that we should avoid the showers.

Accommodations

A private villa for each guest is included with your stay. A small number of guests traveling alone may be paired with a friend. Extra beds and cribs are available for children and nannies. Complimentary spa service is available from 10:00 AM to 9:00 PM.

Food

All meals will be included with your stay from the welcome dinner on Friday to breakfast on Monday. The cuisine at group events will be Thai, though the island restaurant includes western options. Please let us know any dietary restrictions on your RSVP form.

Preliminary Schedule

Please check back closer to the event as we refine our schedule. Note that throughout the weekend complimentary massages, a spa, a private beach, a large private pool, and a personal villa pool are all available for your enjoyment.

Breakfast is served daily from 7:00 AM to 11:00 AM.

Friday October 9th

Check-in begins at 3:00 PM. Guests arriving early are welcome to drop off their bags and enjoy the island.

After settling down in your villa, an arrival dinner will be served by the beach starting from 7:00 PM.

Saturday October 10th

The ceremony will take place at 4:00 PM, followed by a reception.

Sunday October 11th

A variety of arranged group activities and excursions will be available for you to choose from (options may include ram thai dancing, kayaking, cooking classes, muay thai martial arts, afternoon tea, an elephant sanctuary visit on the Koh Samui mainland, and a sunset cruise).

In addition to the complimentary activities on the Island, you are also welcome to explore the Koh Samui mainland this day (visiting buddhist temples or the cobra show from hbo's white lotus), or to simply relax and enjoy the island beach, private villa pools, the spa, and the view.

Monday October 12th

Following a final breakfast, checkout is at 12:00 PM.

Travel

Flying to the Island

Please book your flight to the Koh Samui USM airport far in advance of the event.

Note for guests traveling from the states: There are no direct flights to Thailand from the US so the journey will likely total over 20 hrs. The best option may include a long layover where you can spend the day exploring Hong Kong or Singapore.

Getting to the Island from the Airport

Travel to and from the airport will be complimentary as arranged by the Island staff. Please let us know the details of your travel in advance; a form will be sent out closer to the event where you can let us know what flight you are coming in on so the team can pick you up.

If you are already on the island and want to arrange your own travel, simply go to the [Cape Fahn Hospitality Lounge](#). Please let us know your plan in advance so they are expecting you.

Local Transportation

Travel between the island and Koh Samui simply requires a 2 min boat (in high tide) or truck (in low tide) shuttle ride. This shuttle runs every few minutes between 7:00 AM and 11:00 PM. Late night and early morning shuttles can also be arranged in advance.

If you wish to explore the Koh Samui mainland, you can get around with Grab, the local equivalent to Uber convenient for English users. To return to the island, you can catch the shuttle at the [Cape Fahn Hospitality Lounge](#).

Vaccinations

No vaccines are required to travel to our island/Koh Samui. Many physicians will suggest you be up to date on Hep A (efficacy 30-40 years) and Typhoid (efficacy 2-3 years) immunizations. If you decide to take them, be sure to do so *at least two weeks before the wedding* as they take time to become effective and fevers in the meantime are common side effects.

Attire

For the ceremony

We encourage you to show up with your best self while feeling comfortable in the tropical weather. For instance, guests are welcome to wear button-up shirts in lieu of suits, or sandals in lieu of shoes. Guests are also welcome to dress in any traditional formal or ceremonial clothes that follow their cultural tradition.

For the rest of the weekend

In general, dress for warm, humid weather. Additional recommendations may appear as we finalize our schedule.

Gifts & Red Envelopes

Your attendance is the best gift we could ask for, and no other one is expected. As such, we do not have a registry.

You are welcome to provide a hóng bāo (red envelope) or a gift of your choice as a token of our friendship during the wedding or at your convenience.
