SKY express | AVIS

The advertisement features a blue background. At the top, a SKY express airplane is shown in flight against a sky with clouds. Below the airplane, a silver SUV is shown on a road. The SKY express logo is on the left, and the AVIS logo is on the right. The text 'FLY WITH SKY AND GET -15% IN YOUR CAR RENTAL WITH AVIS.' is prominently displayed in the center.

Important Information

Travel Documents

Before you begin your trip, make sure you have the necessary travel documents with you. All adult passengers, as well as minors who are required to issue identification papers, must have a valid Passport or ID during their travel. Hellenic gov.gr wallet ID is only valid within domestic destinations. For more information about the travel documents for infants and children under the age of 12, click [here](#).

Check In and Boarding Times

Web check-in becomes available 48 hours before the scheduled departure time and remains open for online check-in up to 3 hours before departure. If you have baggage, you will have to deliver them over to the SKY express airport counters (Baggage Drop-off) prior to heading for the Gate. Airport check-in at the respective SKY express counters opens 2 hours before the scheduled departure time of the flight and closes 40 minutes before departure from Greek airports and 50 minutes before departure from airports abroad. Passengers must be present at the Gate at least 20 minutes prior to the scheduled departure time. Please be consistent with all the time frames as stated above. The airline reserves the right to deny boarding in case of late arrival.

Luggage

Your maximum baggage allowance is determined by the fare category you have booked and you may find out more here: [Fare types & baggage allowance | SKY express](#). Make sure your baggage does not exceed the maximum weight and dimensions. Carry-on bags are subjected to random collection during check-in and/or gate in case of limited space on board. If you need to carry more, you may purchase extra pieces or excess baggage at preferential prices online at "Manage My Booking" or at the airport (at higher rates).

Special Requests

We offer support services to passengers who need special assistance as well as to unaccompanied children. Passengers with reduced mobility, sight or hearing impairment, as well as unaccompanied children who need assistance on their way to the aircraft, should present themselves at check-in counters at least 90 minutes prior to the scheduled departure time.

Connection Flights

SKY express is NOT responsible for any delays that may affect your connecting flights with other airlines.

Travelling with a pet

Before you begin your trip with your pet, make sure you carry your pet/animal's health book with you, which must be presented for inspection, and that the pet/animal must have been fitted with the required ID microchip. Also, a full vaccination is required and must take place at least 21 days before the flight to be valid. Be aware that you should be at the check-in point at least one hour before the scheduled departure time. You may find all the information about travelling with your pet or guide dog [here](#).

General Fare Conditions and Rules
