Special requests/remarks *

We'd like a relatively private room. According to online review, Room 6 is very private, while Room 1 is right next to the parking area. Could you arrange a room for us that's more private?
Thank you!

** Requests are not guaranteed and are subject to availability*

Since we do not have a 24hours reception desk and for your better convenience, please make sure to inform us about your arrival time at the property.
